2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

NextGeneration STEAM Academy is a school of the River Islands Academies (RIA). At RIA our mission statement states that we will provide students with a safe, supportive, character building, educational environment in which each student can achieve his/her potential through a specialized technology-based curriculum and experiential learning opportunities. The Vision for River Islands Academies will be a high-quality educational program for all students including all student subgroups, unduplicated students, and students with exceptional needs. The Charter School will educate the whole student through a curriculum that integrates technology with core academics, and Career and Technical Education opportunities in a positive learning environment. Students will complete a rigorous course of study enabling them to have educational and career choices beyond high school. Our student motto will be COLLEGE BOUND! Students will receive a rigorous instructional program preparing them for the pathway to college and career.

At River Islands Academies we believe:

- Each individual can learn
- Each individual has unique strengths and intelligence
- Each individual is important and can make a difference in the world
- Each individual should be an active participant in his/her community
- Education empowers individuals
- Individuals learn best in a nurturing, non-threatening, respect-filled environment Technology is critical to the learning process
- Learning involves embracing challenges and being willing to risk
- Education is a team effort involving students, families, teachers, and the community Real-world connections and relevancy enhance the learning experience

2021-22 School Overview

- Learning is lifelong

We believe students learn best in educational environments providing real-life opportunities to explore, understand, and apply the concepts and skills necessary to become independent problem solvers. The optimal learning environment is physically and emotionally safe; the teacher is compassionate, supportive, and trusted; the curriculum is based in reality and presented in one-on-one or small group settings; the subject matter is appropriate, relevant, and intellectually stimulating. These conditions are met in a variety of educational settings based on the individual needs of the students.

We are committed to preparing all of our students to lead happy, healthy, and productive lives at the STEAM Academy. Our goal is to encourage all students to strive to become informed citizens who are prepared to participate in a culturally diverse society. Our school's mission statement is one that all staff members take to heart each and every day: With integrity and compassion, the STEAM Academy promotes a commitment to excellence, while empowering each individual to strive for the character, knowledge, and skills necessary to make a positive difference in our world.

At the STEAM Academy, we strive to provide students with a safe learning environment where they are supported and challenged academically. Our very dedicated and highly qualified staff uses Common Core, STEM, and NGSS standards and curriculum combined with effective instructional strategies to meet the needs of our student population. We use continuous assessment and data to inform our instruction and develop learning goals for our students.

At the STEAM Academy, we want all of our students to have good values and a strong character. But good character doesn't just happen. We believe that it is up to each of us to lay a solid foundation for character development by teaching children right from wrong and by acting as positive role models. STEAM uses the Character Counts program to instill the character traits of Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship, Integrity, Perseverance, Determination, and Excellence. At STEAM, we believe

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The campus currently houses more than 806 students in five permanent wings. The campus sits on nearly 25 acres, which provides ample space for athletics, physical education and recess. The campus also includes additional portables for the preschool program. The campus grounds are kept in good condition by our custodian, cleaning staff and maintenance/groundskeeper. Maintenance projects currently include touching up paint, installing 4 tetherball poles, fixing fields and lawns due to gopher infestation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents at STEAM Academy support our students in several direct ways. We encourage parent helpers in all of our classrooms and ask all of our parents to attend Meet the Teacher night in the fall, and a parent-teacher conference after the first academic trimester of the year. Prior to COVID-19, our Parent-Teacher Organization (PTO) held monthly meetings to discuss various avenues in which to support our students. The PTO coordinates the opportunities for fundraising and community events and activities. We look forward to the return of our PTO.

Parent and community involvement play an integral role in the success of our school. Our Parent Teacher Organization (PTO) works closely with staff to support and enrich our school programs. We also work directly with outside community groups in providing our students with links to real life experiences. We are proud of the commitment from our students, staff, families, and community members in making the STEAM Academy a place where children thrive and are given every opportunity to succeed.

For more information on how to become involved, contact Principal Angel Mendoza at (209) 229-4736.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	2.24	0.15			3.47	0.20
Expulsions	0.00	0.00			0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The STEAM Academy Safety Plan was developed in conjunction with the San Joaquin County Sheriff's Office, and the Lathrop Fire Department. The safety plan was approved by the sheriff and School Site Council and discussed with the school staff and school board and approved in the Fall of 2020. The school safety plan includes full strategies and direction in case of a fire, earthquake, flood, bomb threat, chemical accident, shooting, a hostage crisis, kidnapping, terrorist threat, and other possible occurrences. Rules and procedures are outlined in the plan. The staff has participated in lockdown drills, active shooter training, and monthly fire drills. This year new locking systems for the school were purchased and installed on each classroom doorway.
