## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

## General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

## Internet Access

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Mission
The mission of River Islands Academies is to provide students with a safe, supportive, character building, orderly educational environment in which each student can achieve his/her potential through specialized technology-based curriculum and experiential learning opportunities.

Vision
River Islands Academies will be a high-quality educational program for all students including all student subgroups, unduplicated students, and students with exceptional needs. The Charter School will educate the whole student through a curriculum that integrates technology with core academics, and Career and Technical Education opportunities in a positive learning environment. Students will complete a rigorous course of study enabling them to have educational and career choices beyond high school. Our student motto will be COLLEGE BOUND! Students will receive a rigorous instructional program preparing them for the pathway to college and career.

## 2023-24 School Description and Mission Statement

## We believe

- Each individual can learn
- Each individual has unique strengths and intelligences
- Each individual is important and can make a difference in the world
- Each individual should be an active participant in his/her community
- Education empowers individuals
- Individuals learn best in a nurturing, non-threatening, respect-filled environment
- Technology is critical to the learning process
- Learning involves embracing challenge and being willing to risk
- Education is a team effort involving students, families, teachers, and the community
- Real world connections and relevancy enhance the learning experience
- Learning is lifelong

We believe students learn best in educational environments providing real life opportunities to explore, understand and apply the concepts and skills necessary to become independent problem solvers. The optimal learning environment is physically and emotionally safe; the teacher is compassionate, supportive and trusted; the curriculum is based in reality and presented in one-on-one or small group settings; the subject matter is appropriate, relevant, and intellectually stimulating. These conditions are met in a variety of educational settings based on individual needs of the students.

Students will have the opportunity to explore and experience numerous career pathways in technology. Example career pathways include, but are not limited to: information systems specialist; database administrator; software engineer applications; information technology manager, computer graphic artist, web designer, network engineer, programmer, software technician, and software applications support.

The "COLLEGE BOUND!" theme will be prominent throughout the Charter School. Students and staff will be encouraged to wear college logo shirts on Fridays. A COLLEGE BOUND! cheer will be shouted out by the students, parents and staff at the weekly Friday morning assembly. Communications, signage and website will display the motto. Teachers will use the theme as a basis for writing assignments and research.

The teachers collaborate in grade-level groups to develop an integrated curriculum aligned with the State Standards, and CTE Standards in the Information Technology Industry Sector. Using a variety of authentic assessment methods and standardized tests, students are evaluated to determine levels of competency and to measure progress.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

| Total Teaching Positions |  |  |  |  | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School <br> $2021-22$ | School <br> $2022-23$ | District <br> 2021-22 | District <br> 2022-23 | State <br> 2021-22 | 2022-23 |

| Mathematics <br> (grades 3-8 and 11) |  | 70 |  | 47 | 33 |  |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Our school is dedicated to providing a quality and exceptional education, and in order to meet these expectations, it is essential for parents to support their child and the school in providing the quality education they deserve. It is paramount that parents become actively involved and aware of their child's learning process, as well as, partner with their child's teacher to help in achieving their full potential and capability. We invite and encourage parent participation at EPIC Academy by providing opportunities for parents to become involved through a variety of activities, such as booster club, assisting teachers, volunteering in classrooms or as an art docent, field trips etc. EPIC Academy parents are encouraged to volunteer 5 hours (per child) per month of service to the school or donate $\$ 25.00$ (per child) per month to support the enrichment of the school program, or arrange with their child's Teacher, or the Principal, another method of support. As a result, parents are very connected to our school. Refer to our Student Handbook for more information.

## 2023-24 School Safety Plan

EPIC Academy has a comprehensive School Safety Plan that was developed with members of the local Fire Department and Police Department to meet all requirements. The safety plan was approved by the Sheriff and Fire Departments, Parent Advisory Committee, and discussed with the school board and approved in the Fall of 2023. The approved plan was then shared with school faculty and student representatives with no changes needed after review. The School Safety Plan includes complete strategies and direction in case of fire, earthquakes, floods, bomb threats, and other possible occurrences. Rules and procedures are outlined in the Plan and the staff reviews safety procedures at least annually. The staff is trained in CPR and First Aide. The full safety plan is available in the school office for review.
