2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

NextGeneration STEAM Academy is a school of the River Islands Academies (RIA). At RIA our mission statement states that we will provide students with a safe, supportive, character building, educational environment in which each student can achieve his/her potential through a specialized technology-based curriculum and experiential learning opportunities. The Vision for River Islands Academies will be a high-quality educational program for all students including all student subgroups, unduplicated students, and students with exceptional needs. The Charter School will educate the whole student through a curriculum that integrates technology with core academics, and Career and Technical Education opportunities in a positive learning environment. Students will complete a rigorous course of study enabling them to have educational and career choices beyond high school. Our student motto will be COLLEGE BOUND! Students will receive a rigorous instructional program preparing them for the pathway to college and career.

At River Islands Academies we believe:

- Each individual can learn
- Each individual has unique strengths and intelligence
- Each individual is important and can make a difference in the world
- Each individual should be an active participant in his/her community
- Education empowers individuals
- Individuals learn best in a nurturing, non-threatening, respect-filled environment Technology is critical to the learning process
- Learning involves embracing challenges and being willing to risk
- Education is a team effort involving students, families, teachers, and the community Real-world connections and relevancy enhance the learning experience

2023-24 School Description and Mission Statement

- Learning is lifelong

We believe students learn best in educational environments providing real-life opportunities to explore, understand, and apply the concepts and skills necessary to become independent problem solvers. The optimal learning environment is physically and emotionally safe; the teacher is compassionate, supportive, and trusted; the curriculum is based in reality and presented in one-on-one or small group settings; the subject matter is appropriate, relevant, and intellectually stimulating. These conditions are met in a variety of educational settings based on the individual needs of the students.

We are committed to preparing all of our students to lead happy, healthy, and productive lives at the STEAM Academy. Our goal is to encourage all students to strive to become informed citizens who are prepared to participate in a culturally diverse society. Our school's mission statement is one that all staff members take to heart each and every day: With integrity and compassion, the STEAM Academy promotes a commitment to excellence, while empowering each individual to strive for the character, knowledge, and skills necessary to make a positive difference in our world.

At the STEAM Academy, we strive to provide students with a safe learning environment where they are supported and challenged academically. Our very dedicated and highly qualified staff uses Common Core, STEM, and NGSS standards and curriculum combined with effective instructional strategies to meet the needs of our student population. We use continuous assessment and data to inform our instruction and develop learning goals for our students.

At the STEAM Academy, we want all of our students to have good values and a strong character. But good character doesn't just happen. We believe that it is up to each of us to lay a solid foundation for character development by teaching children right from wrong and by acting as positive role models. STEAM uses the Character Counts program to instill the character traits of Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship, Integrity, Perseverance, Determination, and Excellence. At STEAM, we believe

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The campus currently houses more than 806 students in five permanent wings. The campus sits on nearly 25 acres, which provides ample space for athletics, physical education and recess. The campus also includes additional portables for the preschool program. The campus grounds are kept in good condition by our custodian, cleaning staff and maintenance/groundskeeper. Maintenance projects currently include touching up paint, installing 4 tetherball poles, fixing fields and lawns due to gopher infestation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents at STEAM Academy support our students in several direct ways. We encourage parent helpers in all of our classrooms and ask all of our parents to attend Meet the Teacher night in the fall, and a parent-teacher conference after the first academic trimester of the year. Our Parent-Teacher Organization (PTO) held monthly meetings to discuss various avenues in which to support our students. The PTO coordinates the opportunities for fundraising and community events and activities.

Parent and community involvement play an integral role in the success of our school. Our Parent Teacher Organization (PTO) works closely with staff to support and enrich our school programs. We also work directly with outside community groups in providing our students with links to real life experiences. We are proud of the commitment from our students, staff, families, and community members in making the STEAM Academy a place where children thrive and are given every opportunity to succeed.

For more information on how to become involved, contact Principal Angel Mendoza at (209) 229-4736.

2023-24 School Safety Plan

The STEAM Academy Safety Plan was developed in conjunction with the San Joaquin County Sheriff's Office, and the Lathrop Fire Department. The safety plan was approved by the Sheriff and Fire Departments, Parent Advisory Committee, and discussed with the school board and approved in the Fall of 2023. The approved plan was then shared with school faculty and student representatives with no changes needed after review. The school safety plan includes full strategies and direction in case of a fire, earthquake, flood, bomb threat, chemical accident, shooting, a hostage crisis, kidnapping, terrorist threat, and other possible occurrences. Rules and procedures are outlined in the plan. The staff has participated in lockdown drills, active shooter training, and monthly fire drills.
