Mission Statement and Vision

Our MISSION: The mission of the River Islands Academies is to provide students with a safe, supportive, character building, educational environment in which each student can achieve his/her potential through a specialized technology-based curriculum and experiential learning opportunities.

Our VISION: River Islands Academies will be a high-quality educational program for all students, including all student subgroups, unduplicated students, and students with exceptional needs. The Charter School will educate the whole student through a curriculum that integrates technology with core academics, and Career and Technical Education opportunities in a positive learning environment. Students will complete a rigorous course of study enabling them to have educational and career choices beyond high school. Our student motto will be COLLEGE BOUND! Students will receive a rigorous instructional program preparing them for the pathway to college and career.

We believe

- Each individual can learn
- Each individual has unique strengths and intelligences
- Each individual is important and can make a difference in the world
- Each individual should be an active participant in his/her community

- Education empowers individuals
- Individuals learn best in a nurturing, non-threatening, respect-filled environment
- Technology is critical to the learning process
- Learning involves embracing challenges and being willing to risk
- Education is a team effort involving students, families, teachers, and the community
- Real-world connections and relevancy enhance the learning experience
- Learning is lifelong

We believe students learn best in educational environments providing real-life opportunities to explore, understand, and apply the concepts and skills necessary to become independent problem solvers. The optimal learning environment is physically and emotionally safe; the teacher is compassionate, supportive, and trusted; the curriculum is based in reality and presented in one-on-one or small group settings; the subject matter is appropriate, relevant, and intellectually stimulating. These conditions are met in a variety of educational settings based on the individual needs of the students.

The “COLLEGE BOUND!” theme will be prominent throughout the Charter Schools. Students and staff will be encouraged to wear college logo shirts on Fridays. A COLLEGE BOUND! cheer will be shouted out by the students, parents, and staff at the weekly Friday morning assembly. Communications, signage, and website will display the motto. Teachers will use the theme as a basis for writing assignments and research.

The teachers collaborate in grade-level groups to develop an integrated curriculum aligned with the State Standards, and CTE Standards in the Information Technology Industry Sector. Using a variety of authentic assessment methods and standardized tests, students are evaluated to determine levels of competency and to measure progress.

DESCRIPTION OF THE EDUCATIONAL PROGRAM:

Students will learn in an educational environment that provides real-life opportunities to explore, understand, and apply the concepts and skills necessary to become independent problem solvers. The learning environment is physically and emotionally safe; the teachers are compassionate, supportive, knowledgeable, and trusted; the curriculum is robust with a combination of teacher designed and/or selected supplementary materials from publishers, and State-adopted curriculum with technology integration.

Instruction will be presented in one-on-one, small group, and whole-class settings. The subject matter is appropriate, relevant, and intellectually stimulating. Devices, iPads or Chromebooks, are provided to students and teachers; in addition, students and teachers have access to a fully networked computer lab, 3D printers, and robotics. Data is reflected upon to ensure that students are making progress and instruction is effective.

CALIFORNIA COMMON CORE STATE STANDARDS:

Teachers will employ a variety of research-based strategies for classroom instruction. These instructional methods include, but are not limited to: project-based, cooperative,

integrated, and independent performance projects. The teachers will collaborate in grade-spans to develop an integrated curriculum aligned with the Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS). Technology will be an integral part of the learning process at River Islands Academies. Teachers will use technology for classroom instruction, homework instruction, and management; and students for classwork, homework, research assignments, and projects. Teachers will demonstrate effective instructional strategies and use elements of the curriculum to support all students, including, English Learners, Underperforming, Advanced Students, and Students with Disabilities. Appropriate accommodations and modifications will be made to the curriculum to ensure the success of all students. Using a variety of authentic assessment methods, curriculum embedded assessments, and standardized tests, students will be evaluated to determine levels of competency and to measure progress. Data will continually be used as a tool for adjusting and informing instruction to ensure student success. (Additional information available in River Islands Academies' School Petitions.)

California Environmental Principles and Concepts

In accordance with SB720, River Islands Academies includes instruction in environmental literacy as outlined by the California EP&C's. Environmental literacy is defined as education that prepares students to create an ecologically sound, economically prosperous, and equitable future.

Lottery Process for the 2022-2023 School Year

Pursuant to California Education Code §47605 (2) (A), a charter school shall admit all pupils who wish to attend the school. However, if the number of pupils who wish to attend the charter school exceeds the school's capacity, attendance, except for existing pupils of the charter school, shall be determined by public random drawing. Preference shall be extended to pupils currently attending the charter school and pupils who reside in the district except as provided for in Section 47614.5. Other preferences may be permitted by the chartering authority on an individual school basis and only if consistent with the law (See school-specific charter for additional lottery details).

River Islands Academies Governing Board shall be responsible for executing the lottery. However, the Governing Board reserves the right to delegate this task.

A lottery becomes necessary when the school is full and/or there are more requests for enrollment than space available. All names of students requesting a full program will be placed into grade specific envelopes. Names will be drawn as openings occur.

Parent Involvement

Our schools are dedicated to providing quality and exceptional education, and to meet these expectations, it is essential for parents to support their child and the school in providing the quality education they deserve. It is paramount that parents become actively involved and aware of their child's learning process, as well as, partner with their child's teacher to help in achieving their full potential and capability.

We invite and encourage parent participation at River Islands Academies by providing opportunities for you to become involved through a variety of activities, such as parent clubs, assisting teachers, volunteering in classrooms, field trips, etc. River Islands Academies parents are encouraged to volunteer 5 hours (per child) per month of service to the school. Parent donations of \$25.00 (per child) per month (or any amount) help support the enrichment programs at our school. If interested, you can arrange with your child's teacher or the Principal another method of support. Donations of time and money are appreciated. During times of emergency, ie. pandemics, the Executive Director may restrict parent volunteers.

Parent Volunteers

At this time, in accordance with CDPH guidelines, volunteers are allowed on campus. The visit must be pre-arranged. Parents must be cleared with fingerprinting and have a negative TB test prior to coming onto campus. Once on campus, volunteers must wear the volunteer sticker in a visible place and check-out of the office prior to leaving campus. Public Health Guidelines are subject to change. We will adjust our plan as updated information and guidance becomes available. Please refer to the Volunteer Process section found on the River Islands Academies website.

Parent/Teacher Communication

Appointments can be made with your child's teacher before or after school to discuss assignments, progress, behavior, etc. Appointments can be made by contacting the teacher via email, telephone, or sending a note. Conferences will be scheduled at the end of the first and second trimesters.

Note:

- Teacher presence at dismissal gates is vital. All discussions must occur after dismissal is complete.
- Wednesday afternoons will be utilized for teacher training. Teachers will not be available to meet on those days.
- Please refer to our app and newsletter for the most up to date information.

Attendance

Your child will be receiving high-quality instruction every day in school; therefore, we believe it is imperative that your child attends school regularly to achieve success. Regular attendance is a preparation for entry into the world of college and employment. As a school, we strive to work with all students to help them succeed; students and parents must understand they are accountable for regular class attendance and daily assignments. **Participation in school events including, but not limited to, music programs, sports, dances, academic teams, etc, requires attendance in class that day.**

Absences

A student not present in class for any reason is considered absent. If a student is expected to be absent, parents/guardians must contact the school office by phone, or email, the night before the day of the expected absence. If a student becomes sick in the morning, the parents/guardians must contact the school office by the start of the school day.

If a student has been treated by a physician or dentist, a signed note by the physician or dentist should be provided to the school office with the date of treatment and reason for absence.

School funding is based on attendance, so accurate record-keeping and state law require parent confirmation of the reason for the absences. Keep in mind that if your child is ill, it is **required** for him or her to stay home to get the care needed and prevent the exposure of illness to others. Any student with a fever will be sent home and may not return to school until fever-free for at least 24 hours. Please keep in mind we continue to follow CDPH guidelines.

Excused Absences

Education Code 48205

The following are considered excused absences:

- Personal illness
- Doctor, dental, or optometry appointments
- Funeral attendance
- Religious holiday observance (limited according to Ed. Code)

Students are considered **unexcused** if the parent does not contact the office.

Check-Out Procedures

Students may not leave our campus during the school day unless they are checked out by a parent/guardian in the office. When parents need to check students out of school, they should come to the office. This procedure enables us to know which children are not in school at any given time, as well as to ensure their safety. Please try to make appointments after school hours, as students fall behind when they are not in class

Excessive Absences

Parents/guardians are required to make arrangements for transportation to school each day. Your child must attend school each day. If excessive unexcused absences occur, it will be necessary to provide an official medical or judicial verification to excuse an absence. Students with such an excess of absences will be notified in writing of the official

verification requirement and may be dis-enrolled.

Withdrawal due to Excessive Unverified Absences

In rare circumstances, students will be dis-enrolled from River Islands Academies for 10 consecutive days without attempting to notify the school of the absences or without responding to school inquiries (phone, email, and mail) about the student absences.

Truancy

A student is considered truant when the student is:

1. Absent from school without a valid excuse three school days in one school year,
2. Tardy or absent for more than any 30 minutes during the school day without a valid excuse on three occasions in one school year, or
3. Any combination thereof

The parent guardian of a student classified as truant shall be notified by a letter containing the following information and requesting a conference with the parent, student, teacher, and Executive Director: (Education Code 48260.5) (48263.8- without valid excuse for 10% of school year)

1. The student is truant.
2. The parent guardian is obligated to compel the student to attend school.
3. The parent guardian who fails to meet this obligation may be guilty of an infraction of the law and subject to prosecution pursuant to Educational Code 48263 et seq.
4. The right of the parent/guardian to meet with appropriate school personnel to discuss the solution to the student's truancy.

Tardiness

Tardy students are required to obtain a pass from the school office before proceeding to the classroom. Any student who arrives at school after the official start of the school day, yet less than 30 minutes into the instructional school day, will be considered "tardy." Our school gates close promptly at the start of school. If arriving after gates close, students will check into the office and then head to class.

"Make-Up" Assignments for Absent Students

A student absent from school will be allowed to complete all assignments and tests missed during the absence, and upon satisfactory completion within a reasonable period of time will be given full credit. The teacher of the absent student will determine which tests and assignments are reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence. (Education Code 48205)

Vacation Independent Study

When a student will be missing school for 5 days, but not more than 20 days for vacation, a Vacation Independent Study contract may be approved. An application **must be requested two weeks** prior to the absence. If not submitted two weeks prior, ***your request may be denied.*** The student must have excellent attendance and grades to be considered for this contract. You may pick up the application at the office.

Library

River Islands Academies will offer various library services for our students. The library schedule will be published for teachers. Students who check out library books are responsible for the books. If they are lost or damaged, students will be expected to pay for the book. Students leaving the school must clear their library records. Additionally, report cards will be held if there is an outstanding balance in library books in the student's account.

Arrival and Dismissal from School

Students may not arrive earlier than 20 minutes before school starts, as that is when supervision on campus begins. Any students arriving for the Before School Program before the start of school should report directly to the program. Students not involved in the After School Program or School Sponsored Activities are to leave or be picked up immediately following the end of school each day unless an emergency exists and/or prior arrangements

have been made with school administration and/or front office staff. (Please refer to your school's Appendix for Bell Schedule and arrival and dismissal procedures)

Visitors

All visitors are to sign in at the front office before entering campus. High School students wishing to volunteer must have prior administrative approval. All visitors must follow the current CDPH Guidelines. Public Health Guidelines are subject to change. We will adjust our plan as updated information and guidance becomes available.

Transportation

Parents must provide transportation to and from school. As school safety is our top priority, It is expected that all drivers are expected to be patient and respectful when dropping off and picking up students. In accordance with California regulations, cars are prohibited from idling for more than five (5) minutes. Students must be picked up after school in a timely manner or arrangements must be made for students to attend After-School Care. If you are not picking up your child at a designated gate, please park, use the crosswalk and walk to the gate where your child is waiting. There is NO double parking allowed.

Bicycles, Scooters, Skateboards, & other Rideables

Bicycles may be ridden to and from school. Bicycles are to be parked properly in the designated areas on campus. Bicycles are not allowed elsewhere on the school grounds at any time. All students must walk their bikes to the designated bike rack when they arrive at the school's sidewalk. Be sure to always lock your bicycle. The schools assume no liability for any bicycle or bicycle equipment. Motorized scooters must be stored on provided racks. Shoes with wheels in them may not be worn at school, wheels must be removed from shoes to wear them while on campus.

Pets at School

Except for service animals, pets are not allowed on campus at any time; this includes having pets on campus during drop-off and pick-up times. If your child wishes to share his/her pet with the class, a parent and/or guardian must bring the animal to school for a short visit and take it home afterward. Field Trips

Through the school year, students will occasionally be going on field trips. Parent permission slips must be signed and returned to school personnel before the trip. All standard rules of conduct and procedures used in the transportation of pupils will be observed and enforced on field trips.

Immunizations and Physical Examinations

To ensure a safe learning environment for all students, River Islands Academies follows and abides by the health standards set forth by the state of California. Students will not attend school until all required records have been received. The immunization status of all students will be reviewed periodically. Those students who do not meet the state guidelines may be excluded from school until the requirements are met. The school will offer vision and hearing screenings for applicable grade levels in accordance with the law. Throughout the year routine vision, oral health, and hearing testing is done on state-mandated grade levels. If you do not want your child screened, California Law states that a parent or guardian needs to fill out a request in writing to the principal or the school nurse that he/she will not consent to the physical examination of his child. (C.E.C.4945 1).

Medication

Education Code 49423 prohibits medication being carried by students or for over the counter medication without a physician's order. For safety reasons, students are not allowed to have medicine in their classrooms, lunch boxes, or their pockets. This includes all medication, inhalers, pills, aspirin, cough drops, or other medication.

For the school to distribute your child's medicine, you must have:

- 1) A doctor's written and signed note (Parent/Physician statement) detailing the method, amount, and time schedules for such medication, as well as the child's and prescriber's name.
- 2) A written and signed note (Parent/Physician Statement) from the parent indicating his/her desire that the school assist the student as set forth by the physician in his/her statement.*

* Forms are available in the office. You may also print medication form [here](#).

If there is cough medicine, Tylenol, Advil, sunscreen, or the like that needs to be administered to the child during school hours, the parent will need to come to school to administer it, or the parent will be required to obtain a prescription from the doctor with dosing instructions and the medication will only be accepted if it has a proper pharmacy label.

New forms must be completed with any changes in medication, dosage, or time to be given. The parent agrees to pick up expired or unused medication within one week of notification and/or prior to the end of the school year or it will be destroyed.

Hearing and Vision Screening Statement:

In accordance with the California Education Code (EC) Section 49455 and 49452, student vision screening will be provided at school entry, Transitional Kindergarten/Kindergarten, second, fifth, and eighth grades and to all students enrolled in special education as required for their Individualized Education Plan; hearing screening will be provided at school entry first, second, fifth, and eighth grades and to all students enrolled in special education as required for their Individualized Education Plan. Additionally, vision and/or hearing screening(s) may be provided to any student who exhibits signs and symptoms of eye or vision problems. Parents may opt their child out of any non-emergency, invasive physical examination or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, including hearing or vision screenings, or any physical examination or screening permitted or required under state law. Parents have the right to have their child's vision tested outside of school (at the parent's expense) to meet the state law requirement. To do so, the parent/guardian/caregiver must communicate in writing to the school's principal and/or the coordinator of nursing services that they do not wish for their child to be screened.

Uniforms

The River Islands Academies are schools of **choice** and require that all students must comply with the school's uniform policy. Students who are not in uniform may be excluded from recess and parents will be notified. The staff does not want to spend time monitoring uniforms. (Please see Appendix for Uniform Policy.)

Uniform Violation Procedures

First Violation

- A parent contacted for change of clothes
- The student will not be permitted on the yard for recess without proper uniform attire

Third Violation

Student Personal Property

We discourage children from bringing personal possessions or extra money to school unless requested to do so by the teacher or administration. The school does not assume responsibility

for personal property belonging to individual students. Students should limit their personal property to school supplies and items needed for a medical condition (i.e. glasses). While we will attempt to recover stolen property, it is very difficult. When money is sent to school, it should be placed in an envelope with the child's name and room number written on it. Students are not to bring videos, toys, electronic devices, etc. to school without prior permission from the teacher. Anything brought to school without prior permission will be kept by the teacher or director for parents to claim. Items not claimed will be disposed of after a week.

Cell Phones/AirPods

Once students enter an Academies school campus, the expectation is that all devices and earbuds will be silenced and stored away out of sight unless otherwise specified by an Academies staff member. There may be times under direct teacher supervision they may be used to enhance the instructional environment. If a student is using their cell phone without permission, their phone will be confiscated until the end of the school day and a parent may be required to pick up the cell phone. *All electronics brought to school are the sole responsibility of the owner. The school will not accept responsibility for stolen, lost, or broken items.*

Recording Devices

Education Code 51512 states that, "The Legislature finds that the use by any person, including a pupil, of any electronic listening or recording device in any classroom of the elementary and secondary schools without the prior consent of the teacher and the principal of the school given to promote an educational purpose disrupts and impairs the teaching process and discipline in the elementary and secondary schools, and such use is prohibited."

Students may NOT record other students, teachers, administrators, or any other staff or visitors on campus without the prior consent of all parties. Any student found in violation is subject to appropriate discipline.

Prohibited Items

- Weapons (real or "look-alike")
- Alcohol, tobacco, vape pens or any illegal substance
- Games, toys, trading cards (unless approved by a teacher)
- Electronic gaming devices
- Vulgar/inappropriate stickers and logos
- Inappropriate pictures/videos/magazines/books
- Gum or sunflower seeds
- Energy drinks
- Shoes with wheels
- Water pistols, water balloons, etc.
- Lasers
- Stun guns
- Aerosol sprays of any type including pepper spray, hair spray, etc.
- Bandanas
- Lighters

Prohibited items will immediately be confiscated and may only be retrieved by the parent. The administration will take further action for the possession of illegal items.

Student Conduct

Students must respectfully conduct themselves and are responsible for their behavior. Students are expected to work hard and treat classmates, staff, visitors, and property with kindness, courtesy, and respect. School administrators, teachers, and staff will treat the students in the same manner. The consequences of inappropriate conduct are strictly applied and enforced.

Students will learn to be effective decision-makers and problem-solvers who demonstrate elements of self-direction, responsibility, and self-discipline. This entire process is built on respect for every adult and student, viewed as a person who has dignity and worth as an individual.

Our school will be a safe and orderly place for our students to receive a quality education. Students, parents, and school staff must share equal responsibility for creating the best possible educational setting. Open, honest communication with students, parents, and school staff is the best way to achieve this goal

Character Counts!

River Islands Academies students and staff use the character counts program. This is a framework centered on the six pillars of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. Students are recognized for positive choices and good character with character tickets, stickers and brag tags. To learn more, visit the website [Character Counts](#)

Searches

A personal search of a student may be conducted if there is reasonable suspicion of prohibited contraband. All personal searches should be conducted only by a school administrator or designee. Searches of student backpacks, desks, and similar facilities may be conducted at the direction of the school administrator or designee, at any time, with or without suspicion, and with or without the consent of the student. Searches of outer garments such as jackets and coats, purses, wallets, book bags, backpacks, and similar items of personal property that are in a student's possession may be conducted in the same manner.

Chromebooks that are broken or fail to work properly must be taken to the School Tech Office. If a loaner iPad/Chromebook is needed, one will be issued to the student until their device can be repaired or replaced.

The conference may be omitted if the Principal or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety, or health of students or River Islands Academies personnel. If a student is suspended without this conference, both the parent/guardian and the student shall be notified of the student’s right to return to school for the purpose of a conference. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(c)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for the failure of the pupil’s parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in-person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Principal or designee, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil’s parents unless the pupil and the pupil’s parents fail to attend the conference. This determination will be made by the Principal or designee upon either of the following: 1) the pupil’s presence will be disruptive to the education process, or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil’s suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the pupil, or the affected pupil, a teacher shall provide to a pupil in any of grades 1 to 12, inclusive, who has been suspended from school for two or more school days, the homework that the pupil would otherwise have been assigned. In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested according to Section 47606.2(a) and turned into the teacher by the pupil either upon the pupil’s return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end

of the academic term, that assignment shall not be included in the calculation of the pupil's overall grade in the class.

Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law. A student may be expelled either by the neutral and impartial Board of Directors following a hearing before it or by the Board of Directors upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil or a member of the Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Governing Board shall make the final decision.

Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the principal or designee determines that the pupil has committed an expellable offense. In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days before the date of the scheduled hearing. Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing.
