

Dress Code Policy 2023 - 2024

River Islands High School Colors:

Dress Code Expectations:

River Islands High School's dress code expectations have been established to promote our school spirit, unity, equity, professionalism, safety, and security. Students are expected to adhere to the dress code during normal school hours. It is the responsibility of the parents/guardians to see that their student(s) leaves home adhering to the RIHS dress expectations.

Parents/guardians who send their student to RIHS accept the judgment of the administration as final matters of dress at school and school-sponsored activities. Items not covered specifically in the guidelines will be at the discretion of campus administration. Parents/guardians may be called upon to bring regulation dress expectation clothing to school if their student is found to be out of compliance with the RIHS dress expectations.
